Dear Siân

ETH2526-2005

Thank you for submitting your application, which has now been reviewed and considered.

The outcome of your application is:

approved.

If any changes to the study described in the application are necessary, you must notify your primary research supervisor. You may be required to make a resubmission of the application.

Please note that ethical approval for this application is valid until 08 July 2026.

On behalf of the MSc Health Psychology faculty, we wish you the best of luck with your study.

Sincerely,

Brenda Caldwell Phillips
